

1st Merton Park Scout Group Spring 2010

I hope you all had a good break and have enjoyed the seasonal weather we are having at the moment. The Scouting term starts next week, I have listed below some dates for your diary over the next few months.

Can I ask all members to bring with them in the first couple of meetings the attached form with their subs. This will help us with the group administration and also make sure we have up to date information on contacts for each child.

I have also been advised that we need to hold written permission from parents/guardians for group activity photos we put on to our website. For this reason I need to ask each of you to complete the attached form and return it to your section leader with subs so we can continue to show you what your children have been getting up to on camps and other activities. If we do not get 100% response I am afraid we will have to stop displaying these.
